

Join the North Island's largest full service custom branding promotional products and teamwear provider as our newest Customer Service Sales Associate. In this role you will be responsible for a full range of sales duties including, but not restricted to, generating sales leads, processing and tracking orders, advising and educating clients on promotional product use and choice, follow-up quality control and order fulfillment.

With your team you will plan, organize and execute special event promotions which may involve participation in Trade Fairs, sporting events, in-store activities and other community functions. You will have the opportunity to show your style - work with a super group of creative, dedicated and fun individuals. Industry-specific training will be provided and Hitec-Brazen supports Lifelong Learning principles for all employees.

Your energy, enthusiasm, creative thinking skills and attention to detail will ensure sales growth in screen printing, embroidery, digital printing and promotional products. As a member of a Team, you will be under the supervision of the Manager, bringing forward, implementing and evaluating both traditional and fresh new sales plans.

You are as comfortable on the telephone as you are on the social media platform maximizing company reach through all media. You will have at least basic graphic layout skills for use in social media. More training is provided in this area.

Hours are part-time leading to full-time for the right candidate. Wages negotiable.

Formal training and/or experience in sales and business related activities is a requirement for this position. Send your cover letter and resume to:
